What a life, eh? Checking out pictures of new young wannabees to see if they've got exactly what it takes to feature in Club or not. Still, I'm not complaining – nobody said life was going to be a stroll in the park, and once in a while there's no way to get round rolling your sleeves up and just getting on with it. Luckily, every now and again a girl comes along that makes all the hard hours spent staring at fresh, naked flesh worthwhile, and this month, ladies and gentlemen, she came in the form of the delectable Maria. No sooner did I have her spread before me on my desk than I new we had a first rate cutie on our hands. And if you've picked up this magazine long enough to read this, no doubt you're in full agreement! Throw in a set of Stella to cheer any leader, and another clutch of Club class crumpet, and you've got an issue that's very hard to take issue with… **The Ed.** ♣

A PLEASANT SURPRISE

I have to tell you what happened to me last summer. My wife, Fran, and I live in a quiet cul-de-sac. One day in the week I took the day off to go and play golf with my mate. We had only just started when my mate got an emergency call from his office, so I headed home.

When I got home my wife's car was parked outside but on entering the house she didn't appear to be in. So I went upstairs to have a shower and cool off before the missus got home. I was upstairs changing when all of a sudden I heard talking from the back garden. I looked out the window and saw three women sunbathing totally starkers in my back garden! One was my wife but the other two were our next door neighbour's daughter Suzanne and her friend Sara. Suzanne and Sara were only in their early twenties and as you can imagine they looked fantastic in the nude.

Since they hadn't seen me I chose to just admire the beauty in front of me. I wasn't supposed to be home for a couple of hours, so they wouldn't be expecting me. I perched myself just behind the curtain where they couldn't see me, but I could clearly see them.

My viewing pleasure really went through the roof when Suzanne started to rub the back of my wife's calves. The next thing I saw was Fran slowly spreading her legs wide and all of a sudden Sara turned over and rubbed lotion on Fran's back. Her hands then started to move towards my wife's fine little arse. Now it got interesting, very interesting as I watched both young girls rubbing all over my wife's back, bum and legs. Fran spread her legs and then Sara started rubbing her pussy.

By this time I'd obviously got a raging hard-on and just stood there pulling my pud and getting hornier by the minute as my wife got intimate with a couple of girls almost half her age!

Suzanne climbed into the hot tub and my wife followed her. Then as Suzanne spread her legs, she stuck her tongue in Fran's hairy cunt like it was a chocolate cake. Sara got up on all fours in front of my wife's face and stuck out her arse so that my wife could begin to lick her out.

As you can imagine, there's only a certain amount of all this titillation I could take so I made my way downstairs and into the garden as if I'd only just got home. Did I surprise them! I asked them what was going on and they were so startled Suzanne and Sara just clammed up. My wife looked a bit awkward but then she asked me if I wanted to join in the fun. Naturally I agreed.

The two young women blushed as I stripped out of my clothes and then climbed into the hot tub fully naked. Then I took over where Suzanne left off, right between Fran's legs. All of a sudden Suzanne was tugging at my cock under the water and Sara got back in position on the edge of the hot tub.

Pretty soon Sara was coming all over Fran's mouth as I lapped up my wife's own juices. Suzanne didn't want to be left out so I got out of the hot tub with her and we got into the 69 position

GETTING LIPPY

I've been buying *Club* for two years now and these days I hardly bother to read any of your rival publications. Your ladies truly are the finest on the top shelf. But… February's edition (vol. 35.2) is the absolute best yet. I thought I'd arrived at the pearly gates when I feasted my eyes on Corina's pussy lips – they are superb. I'd happily pay £3.20 if she was the only bird in the issue.

Having given the matter a great deal of thought, I agree they probably are the most appetising beef curtains to feature in your esteemed publication. Mind you, Stella's got an exceptionally fine pair as well!

I would counsel against licking Horseradish off a ladies labia though – she might get a bit too lively and you could even burn your tongue. Keep up the good work – more piss-flaps please!

Geoff, Croydon

A FINE EVELYN

I couldn't agree more with the bloke who wrote in last month praising the legs-cellent issue of *Club* that was 35.2. As a fellow leg lover I too was in wanking paradise with all the stockings, tights and FMB action. Out of all the lovely ladies on display, it was Evelyn who really had my cock bulging. In those fishnet tights she was a real catch! I'm sure I'm not the only one of your readers who would love to see more of her in the future, so please don't disappoint us.

Mike, Bristol

GINGE MINGE WHINGE

It was nice to see a redhead, Sarah, making the centrespread in your magazine last month. In my opinion, most porn mags are crammed with too many blondes and brunettes, and gorgeous redheads rarely get a look in. I don't know if this is because you're catering to the majority of your readers, but this particular reader who is writing to you now is a keen fan of redheads and quite frankly I want to see more. I'm sure there are plenty of copper topped girls just as stunning as Sarah who would make ideal cover stars for *Club* so lets hope you overcome your own prejudices and we see more red-hot redhead babes soon!
Nigel, Darlington

right there on the lawn. I kept licking away at her perfect young cunt until she spurted her cream all over my face. I then lay on my back while all three woman went wild on my cock. When I couldn't hold it any longer I shot all over the place, much to the girls' amusement.

As we all lay there recovering in the sun, my wife said to me, "I've been having fun with these two for months, you're not mad at me, are you?"

I think this was one time I could forgive her!
Robert, Kent

KEEP 'EM KEEN

My neighbour Kim is as about as hot as a 37 year old woman comes. She has huge natural tits, a perfect arse and the softest skin of any woman I've ever been with. I have fantasized about her for years. She gets me rock hard whenever I see her or even think about her. She really is that hot.

GET 'ZETTE GO!

Someone tell this girl she has got it all wrong; if anyone doesn't deserve the honour, it's us!

SUZETTE

PHOTOS: GEORGE WHITE

When news reached Paul Raymond HQ that Suzette would be doing a turn for us again, attendance levels peaked and the elevator to our floor had never taken so much strain. It seems the blonde stunner with the accommodating smile hit a particular spot with the staff – and no doubt, the readers too – after she appeared in *Club* last summer.

"I can't understand why I'm so popular," Suzette mused. "Just because I admitted to enjoying oral sex – and apparently have a mouth suited to the task. Surely there are loads of girls out there just like me? Now I feel pressurised, like I've got to live up to some great reputation. The next bloke I sleep with will probably be expecting to have the blow-job of his life. What if I'm incapable of pleasing him? I'll have to try twice as hard to satisfy him so that he's not disappointed. I'm not sure if I'm comfortable with all this popularity, there are hundreds of far more deserving girls out there who should be getting all the male attention."

Maybe so, but no girl deserves that chance more than one who's prepared to strip naked for us! ♣

DRAW YOUR OWN CONCLUSIONS

I've been an avid reader for years and just wanted to send in a picture of a certain lady. This is because I don't kiss and tell.
Rob The Barman, Norwich

You've got us wondering who the 'certain lady' painstakingly recreated in 2B pencil is now. Do any of our readers recognise her? Is it your friend, your missus, your sister? We'd love to know so get in touch. As it looks like Rob is being a true gentleman by keeping schtum. (Erm, is it Joan Crawford? – Ed.)

CONTINUED FROM PAGE 5

One day I got enough balls to write her a dirty letter after hearing some rumours about her being a real big slut. I'd seen quite a few different men coming and going from her house over the past few years, so it was pretty obvious. About a week after I wrote the letter I'd heard nothing – no angry knock on the door or no call. Then late one night she called me. She said, "this is Kim". I knew I had her then.

"So what are you looking for?" she asked. I asked her the same question but she said, "it's your fantasy, you tell me." I then went into full detail of what I wanted to do to her. "Mmm, sounds promising." And with that she hung up.

The next day I was still in shock, she'd called me I couldn't believe it. That night she called me again and said, "Why don't you come round to mine?"

So there I was on my way to hers. When she answered the door I didn't waste any time and tried to kiss her. But she pushed me away and said, "not yet, you have to wait to fuck me."

So we ended up on her settee and she asked me to show her my cock. I pulled it out and began wanking off right when I was about to come she wrapped her lips around my shaft and I pumped my huge wad of spunk right into her mouth. She then took her jeans off to reveal she was naked underneath. I got in between her legs and she showed me the correct way to eat pussy just how she likes it. She was pushing my face into her cunt. After ten minutes of lapping at her sopping hole she began to come. She was panting real fast and grinding her mound on my tongue. I had her juices all over my face. She tasted so good. After she came I began taking off my jeans and got in between her legs in position to fuck her. But she said, "No, you have to wait to fuck me, not tonight."

About two weeks went by and I wanked myself silly thinking about her. I could not wait. Then one night she called me and when I answered the phone she was panting, she said "why don't you come round and hold me?"

So I hurried round to her place, she answered the door with nothing but a dressing gown on. We went straight to her bedroom and I began fingering her. She stopped me and said, "I thought you were going to hold me?"

That was all part of her getting me more and more worked up. I think that's why I had to wait. I held on for a minute then slipped out of my jeans. I then got in between her legs and slipped my cock inside the tightest, wettest pussy I'd ever been in. I embarrassingly shot a huge load of spunk deep inside her after only several minutes of poking, but can you blame me after such a long wait?
Rick, Sunderland ♣

TOP TEN!

I was very interested to discover that Sandy has been modelling in Club for ten years as she was the first porn model I ever spilt my seed over, and that must have been about ten years ago. I think that's probably why she is my idea of the perfect porn model with her long blonde hair, a cracking body and an air of filthy elegance. I hope we can look forward to another ten years of seeing Sandy looking just as good in your magazine.
Gavin, Crewe

READY FOR BED?

Andrea's not happy and she won't take it lying down…

PHOTOS: G. BELLI

If you can detect a slight hint of displeasure in Andrea's facial expression, you'd be right. We didn't have her down as the type for prima donna antics but when she turned up for this shoot she wasn't too happy with the furniture arrangement of all things. That's right, she went off on one over the size of the bed!

"How am I meant to look like I'm enjoying myself on something that small? To do all the things that I would like to do is almost impossible. It reminds me of when I was a student living in halls of residence and I only had a single bed. My supposed years of sexual discovery were marred by having to endure an awkward balancing act every time I brought a guy back, and many potentially exhilarating shags ended in one of us falling off the bed, or even worse, injury. In the end I just gave up."

What you gave up on sex?

"No, I gave up on having sex on the bed and started doing it on the floor!" ♣

THE NAKED HISTORIAN

PART 4: THE EASTERONIANS

ANYONE WITH A TV KNOWS THAT THE ROMANS INVENTED CENTRAL HEATING, AQUADUCTS AND BRAZILIAN WAXES, BUT WHERE THE FUCK DID EVERYTHING ELSE COME FROM? NIGEL PULLMAN-CARRIAGE INVESTIGATES…

As Kate Bush so memorably sang: "It's a history, it's a history…" And so it is; a history. Thus, we begin part four of my epic mini-series into the histories that history forgot (beginning with an allusion to popular music, too! You wouldn't get that with your old man Schama!), the histories that can't be summarised in a half-hour TV slot, the histories of people that Adam Hart-Davis wouldn't even know how to start dressing up as.

This series exists to readdress the balance of historical "fact" by steering clear of the predictable subjects of Greece, Rome and – what was the other one? – Victorians, merely by presenting the myriad fruits of hard research. And so, moving to the subject in hand, let us peer through the mists of time, way back to a mysterious land with mysterious secrets and ask: "What did the Easteronians do for us?"

GETTING AHEAD

Everyone and his mentally incapacitated dog knows that Jacob Roggeveen, a Dutch Captain, was the first European to reach Easter Island in 1722. But don't be impressed! Letters written to his sweetheart by this clog-obsessed dyke-plugger suggest that he'd merely become disorientated on drugs on a trip from Holland to Harwich and had just kept going until he sighted land! Albeit it land between New Zealand and South America! What he discovered through the pot fumes, however, was a strange, uninhabited land, covered in gigantic stone heads. So, who had created these heads, what did they mean and where were these people now? All unanswered questions. Until now…

Having studied Easter Island since a child, it is my firm belief – backed up by a string of non-forged relics and writings – that the Easteronians were descended from a Welsh clan that, not unlike Jacob, had sailed there by mistake during a drunken bet.

Here, this superior civilisation of mariners, mathematicians, philosophers and scientists built a paradise that not only flourished, but gave us many of the inventions and ideologies we have today…

FROM GOD TO DOG

It has been a raging debate between myself and everyone else that Easter Island was in fact the true location of the events featured in the New Testament. Let's face facts – it's all in the name, isn't it? Yes, to me, to look towards the Middle East is a natural mistake, even though (to be fair) "East" does look a fair bit like 'Easter'.

There are many texts discovered on Easter (mostly by myself) that relate to the tale of a 'Messiah' who 'sacrificed' himself for the 'good' of all Easteronians. His name was Ixus which, translated from ancient Easteronian, means – set faces for stunned - 'Jesus'.

But creating this 'Ixus Canon' was just the beginning for the proud Welshmen and women of Easter Island. With a system of organised religion in place, it was only a matter of time before they abandoned it... in favour of science! Etched into one of the ancient stone heads is a simple pictographic progression. It shows a kind of fish, then a small monkey-like thing, then a bigger monkey, and then a man! Oh, and then some kind of lizard-man, but that's academic. Whether Darwin's Beagle sailed this far south is hard to say, but it certainly smells like plagiarism to me! Did the Easteronians perfected the idea of evolution centuries before Darwin's voyages? No shit, Sherlock. Chalk it up.

So having honed the idea of evolution, the Easteronians decided to tamper with it, breeding and inbreeding the native wolf population until they ended up with an array of small, fluffy dogs that, invariably were so inbred they'd collapse in on themselves. However, those that survived were paraded around Easter's amphitheatre, with a prize for the owner of the best beast of a rosette and the right to eat all the other dogs.

The name of this event is still carved into the rubble of the amphitheatre; they called it Gryff's after the Welshman who invented it. Then later Gruff's and, finally, oh yes, Crufts.

ON A ROLL (AND BUTTER)

Having long given up on their maritime ways, the Easteronians now looked to greater convenience of travel across their own island. Having killed off all the Shetland Ponies during their breeding experiments, the islanders observed the manner in which a carelessly dropped Easter Egg rolled and went on to create bigger and bigger eggs until, finally, they were large enough to be attached to seated platforms that could be pulled along by supercharged oxen.

This fresh revelation, known as the 'cart', spurred the islanders on to build winding roads, criss-crossing the island and then, one day, as wide super road right through the middle. The world's first motorway had arrived.

But, even with the motorway, cart travel was still long and arduous. So it was decided that provision be made to stop weary travellers dying of starvation en route. As a result, small hostels where food and drink could be consumed were built along the motorway. Named 'Happy Easters', it is written that each one was resplendent with a sign above its door featuring an image of a smiling, red stone head. Sadly, however, no remains of – or indeed evidence for – the world's first motorway diners has yet been discovered.

EGGS-ODOUS & FIN

But, after giving the world this bounty of gifts, where did the Easteronians disappear to? And what was with the massive heads? For me the answer lies in New Zealand. Knowing off the incredible sailing skills that brought these remarkable people from Wales to the island in the first place, it seems likely that their love of the sea bubbled up the surface once more. And, one need only compare Wales and New Zealand to see the obvious links – both are wind-swept lands peopled by sheep and over-sized folk who like rugby.

As to why the huge stone heads, the definitive answer to that question lies in one place and one place alone… in my book, The Naked Historian with Nigel Pullman-Carriage: The Naked Historian with Nigel Pullman-Carriage goes to Easter Island, £18.99 from all good book shops this Easter! ♣

WHAT A LILLY!

Check out these two fine specimens of whore-ticulture

PHOTOS: JACK HARRISON

Here's something you'd be lucky to find in the gardening section of your local DIY store, two bloomin' lovely lezzas! And funnily enough, the aptly named Lilly and her luscious mate Lisa love nothing more than a bit of bedding. Each other that is. Come rain or shine you'll find these two entwined in each other's arms, but we managed to catch them on a particularly delightful day when they were in full bloom.

"We've been together for almost a year now but I can remember the very first day we met," recalls Lilly.

"So can I," adds Lisa. "It was a hot day like this and we were both sunbathing in the local park. You caught my eye because you went topless. I couldn't believe how brazen you were, back then I would have never dared do anything like that."

"That's right, and then I caught you looking at me so I beckoned you over. You looked really worried at first as if I was going to tell you off for perving at me, but I did something much better than that, didn't I?"

"Oh, yes. Little did I know that innocently rubbing sun tan lotion in to your back would eventually end up in us having full on lesbian sex right there in the park!"

It's amazing how things can blossom like that! ♣

YOUR MONTHLY HORRORSCOPE

WHAT THE DREAD FIRMAMENT PORTENDS BY EDGAR ALLAN POE

SPORT
M
Dad, there's something I've been meaning to tell you.
TH

ARIES

The Sacred Egyptian Ram of Death

(Mar 21 – Apr 20)

It may be that lately you've been having all manner of trouble with this bird who just won't stop stalking you. She turns up rapping at your chamber door every weary midnight. Your best course of action would be to dose yourself up with some of that Tamiflu you've been hoarding and try not to let this troublesome creature beguile your sad fancy every time you sit down for a bit of a solitary ponder.

TAURUS

The Cattle Carcass Upon The Lonely Road

(Apr 21- May 21)

The coming month may well see you embark upon an extraordinary series of adventures in the South Seas, of which you will be anxious to give a terrifying account to someone before your sanity entirely disintegrates. Fear not! – the stars decree that a happy accident will throw you into the society of several gentlemen in Richmond, Virginia, who will urge you to publish your remarkable tale in the Southern Literary Messenger. The dosh thereby obtained ought to keep you in the drink and out of the mad-house for many a moon.

GEMINI

The Goody-Two-Shoes Namesake You Slay Who Turns Out To Be The Physical Embodiment Of Your Conscience

(May 22 - June 21)

Premature burial is a real possibility this month and you would be wise to prepare yourself for the ordeal, the more swiftly to make your eventual escape from the sepulchre when the day of your apparent doom swings round. Get things right, and you'll have a story you can laugh about for years afterwards! Get them wrong, however…

CANCER

The Arachnid That Looks A Bit Like A "Gold-Bug"

(June 22 – July 23)

The thousand injuries of Fortunato you have borne as best you can, but this month, when he ventures upon insult, you understandably vow revenge. You must not only punish, but punish with impunity. Easy peasy. Take him out to a wine bar, ply him with Amontillado until well after closing time, then wall the wanker up forever in the gents' bogs. In pace requiescat, chum!

LEO

The Christian Name Of The Man Of The Crowd

(July 24 – Aug 23)

You and you pals have been feeling depressed of late, what with the Red Death sweeping the country. And who can blame you? To cheer everyone up, you may feel it incumbent upon you to hold a Masque ball with everybody in fancy dress. But just watch who you plonk on the guestlist. Anyone with the surname "Reaper" is likely to be very poor company, and could very well stuff things up completely. After all: no-one wants Darkness and Decay and the Red Death to hold illimitable dominion over all, do they?

VIRGO

The Fair Lenore, Who I Never Got To Knob Before She Perished Arrive On

(Aug 24 – Sept 23)

Your long-awaited summer holiday in Scandinavia ends in "more than horror" when you wind up descending into a ghastly maelstrom while an old fisherman gives you a running commentary. Afterwards your hair turns white and those who visit you at the Oslo Lööny Bin remark that your countenance has forever changed.

LIBRA

The Only Fancy-Named Bint I Never Wrote A Depressing Ode To

(Sept 24-Oct 23)

You may have had misgivings about your new rented flat in the Rue Morgue for some days past, but this month will see your unease transformed to unutterable dread when a big fucking monkey goes berserk with a Gillette Mach 3, decapitates your girlfriend and her mum and rams what's left of them up the chimney. Bad luck.

SCORPIO

The Scarab Beetle On The Window Pane

(Oct 24 – Nov 22)

You may have cause to complain to the authorities about your treatment at the hands of the Spanish Inquisition towards the end of the month, after they march you into a bottomless pit in pitch darkness and swing a scimitar on a chain over your tackle while you're strapped to a table. Make sure you get your day in court – this sort of thing is highly frowned upon by magistrates these days, and you could end up bagging a few big ones in compo!

A GROSSARY OF SEXUAL TERMINOLOGY…

Some sex terminology and erotic practices with which one or two of our readers may not already be familiar. If you don't want to appear naïve on lads' nights out, best bone up.

BUM-MONGERING

– The proper term for the practice of attempting to sell one's arse to a third party.

VAGINAL INSUFFICIENCY

Physical condition where the patient's fanny is too shallow to admit more than an inch of cock.

EMERGENCY COPULATION

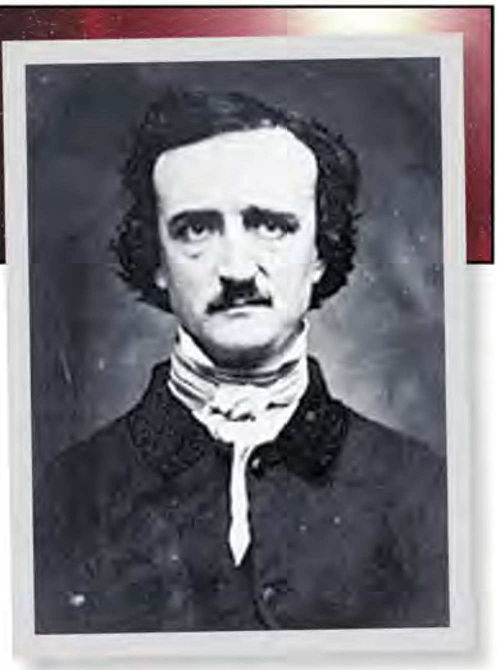
When both parties just have to fuck on the spot or perish. Drink or narcotics is frequently involved in such episodes.

RECTAL REPAIR KIT

Banned for years, nowadays you can buy these (and fairly inexpensively) in anal sex shops if your partner's arsehole should get accidentally torn in the course of an unintentionally forceful rear vestibule violation.

FACE TRAMPOLINING

A recent, and typically much more violent offshoot of the long-established erotic practice of face-trampling, in the course of which the female (usually the one who's doing the trampolining) attempts to gain the additional altitude required to perform somersaults by using the male's head as a springboard. So far only two bodies have been found, and all that police will say is that they are continuing with their enquiries.



SAGITTARIUS
The Centaur Waiting For You Outside In The Bushes With A Crossbow
(Nov 23 – Dec 21)

You love the old man like a father. He has never wronged you. He has never given you insult. For his gold you have no desire. But that eye of his! – the one that resembles that of a vulture - a pale blue eye with a film over it! Whenever it falls upon you this month your blood runs cold, and so you make up your mind to take the life of the old man. By all means do away with him, just don't let the cops in and sit them down directly above the spot where he lies buried while gibbering nervously – and for pity's sake put cotton wool in your ears so you do not hear the most terrible beating of his hideous heart!

CAPRICORN
The Alpine Goat Which Ate The Fallen Climber's Head Whilst He Yet Lived!
(Dec 22-Jan20)

A visit to the ancient and accursed home of a mentally ill chum results in catastrophe when his sister dies then turns up again and the whole fucking house suddenly falls to bits and plunges into the back tarn – which is an idiotic thing to have built a mansion over in the first place. Don't despair - shit happens!

AQUARIUS
The Embalming Fluid Carrier
(Jan 21 - Feb 19)

A series of conversations with a re-animated 3,000 year old Egyptian mummy provide a welcome break from the dread anxieties which have been haunting you in recent weeks.

PISCES
The Dead Eye Of A Slain Fish Staring Up At You
(Feb 20 – Mar 20)

Thanks to a genetic quirk, you have fully inherited a particularly evil family trait. You have become addicted to the wildest caprices, and a prey to the most ungovernable passions. Now is the ideal time to make a few feeble and ill-directed efforts to stop the rot before some unthinkable supernatural doom littered with exclamation marks overtakes you!

Got a problem you're too embarrassed to share with your mates? Then why not share it with the nation instead by writing in to Club's very own Agony Aunt/sex-crazed porn star wannabee, ASPEN MARTIN?

Ask Aspen!

NOT ENOUGH SEXES!

Dear Aspen,

I'm very happy being a man, but, having far too much time on my hands, and being desirous of acquiring council accommodation, I have recently begun to think seriously about altering my gender – and have even put my name down for a sex change. My problem is that I don't fancy becoming a woman or a she-male or a eunuch or anything like that – as I am completely straight, like having a cock and enjoy shagging birds. Can you tell me if there is a fifth sex available for me to switch to, and if so, what it is, and what does being it involve?

Tom

ASPEN SAYS!

Dear Tom,

Yes, there is a fifth sex, but from your letter I'm not too sure that becoming what's called a "man-child", a gender first examined by Rudyard Kipling in his *Jungle Book*, would appeal to you. Man-child surgery entails having all one's pubic hair removed, being shortened in height by amputations just below both knees (the stumps are then sculpted into flipper-like pseudo-feet), the penis is surgically truncated to approximately an inch in length and the testicles are carefully punched back up inside the pelvis, most usually by an aggressive orderly. The result is something like a crippled hobbit with hairless feet and far fewer prospects of adventure. Plus, after the surgery you might feel the urge to hang around with bears and monkeys, singing catchy, jazz-inflected tunes.

TOO MUCH SEX!

Dear Aspen,

My name is Master Jimmy and I reside with my five grovelling female slaves on my estate in Easterhouse, Glasgow. What with junking off in all these women's mouths and twats and bumholes and that from dawn till dusk seven days a week, frankly dear, I'm fucking shattered. It's not just that: twice a month I have to fly to Constantinople to attend the slave markets on the banks of the Golden Horn.
While I'm over there, seeing as how as I am one of the senior dominants, I have to check out all the merchandise and put a price on it for the younger Doms and that. My problem is that, at nearly 60 now, I'm beginning to find all this constant knobbing and junking a bit tiresome. All I crave is a nice pair of slippers, a cup of Horlicks of an evening and – who knows? – maybe a spot of bowls on the telly of an afternoon. What's to be done?

Master Jimmy

ASPEN SAYS!

Dear Master Jimmy,

Luckily for you, I happen to know of a home for retired Glaswegian Masters that sounds like it might be just up your street. Oh, hang on though – I've just checked out the address, and it turns out it's actually just round your corner. Still, if you're tired of fucking female subs into the middle of next week, and rather fancy the idea of poached eggs for tea and beetle drives three times a week, you're in luck. To get the phone number, just call my "I'm a tired old Dom who's fed up with spunking up willing subs and wouldn't mind catching a bit of Dougie Donnolly of an afternoon" hotline.

Yours, Aspen x

MATCH MAKE MARIA?

Since when has this mag had a lonely hearts column? Since Maria turned up, that's when.

PHOTOS: PHOTORAMA

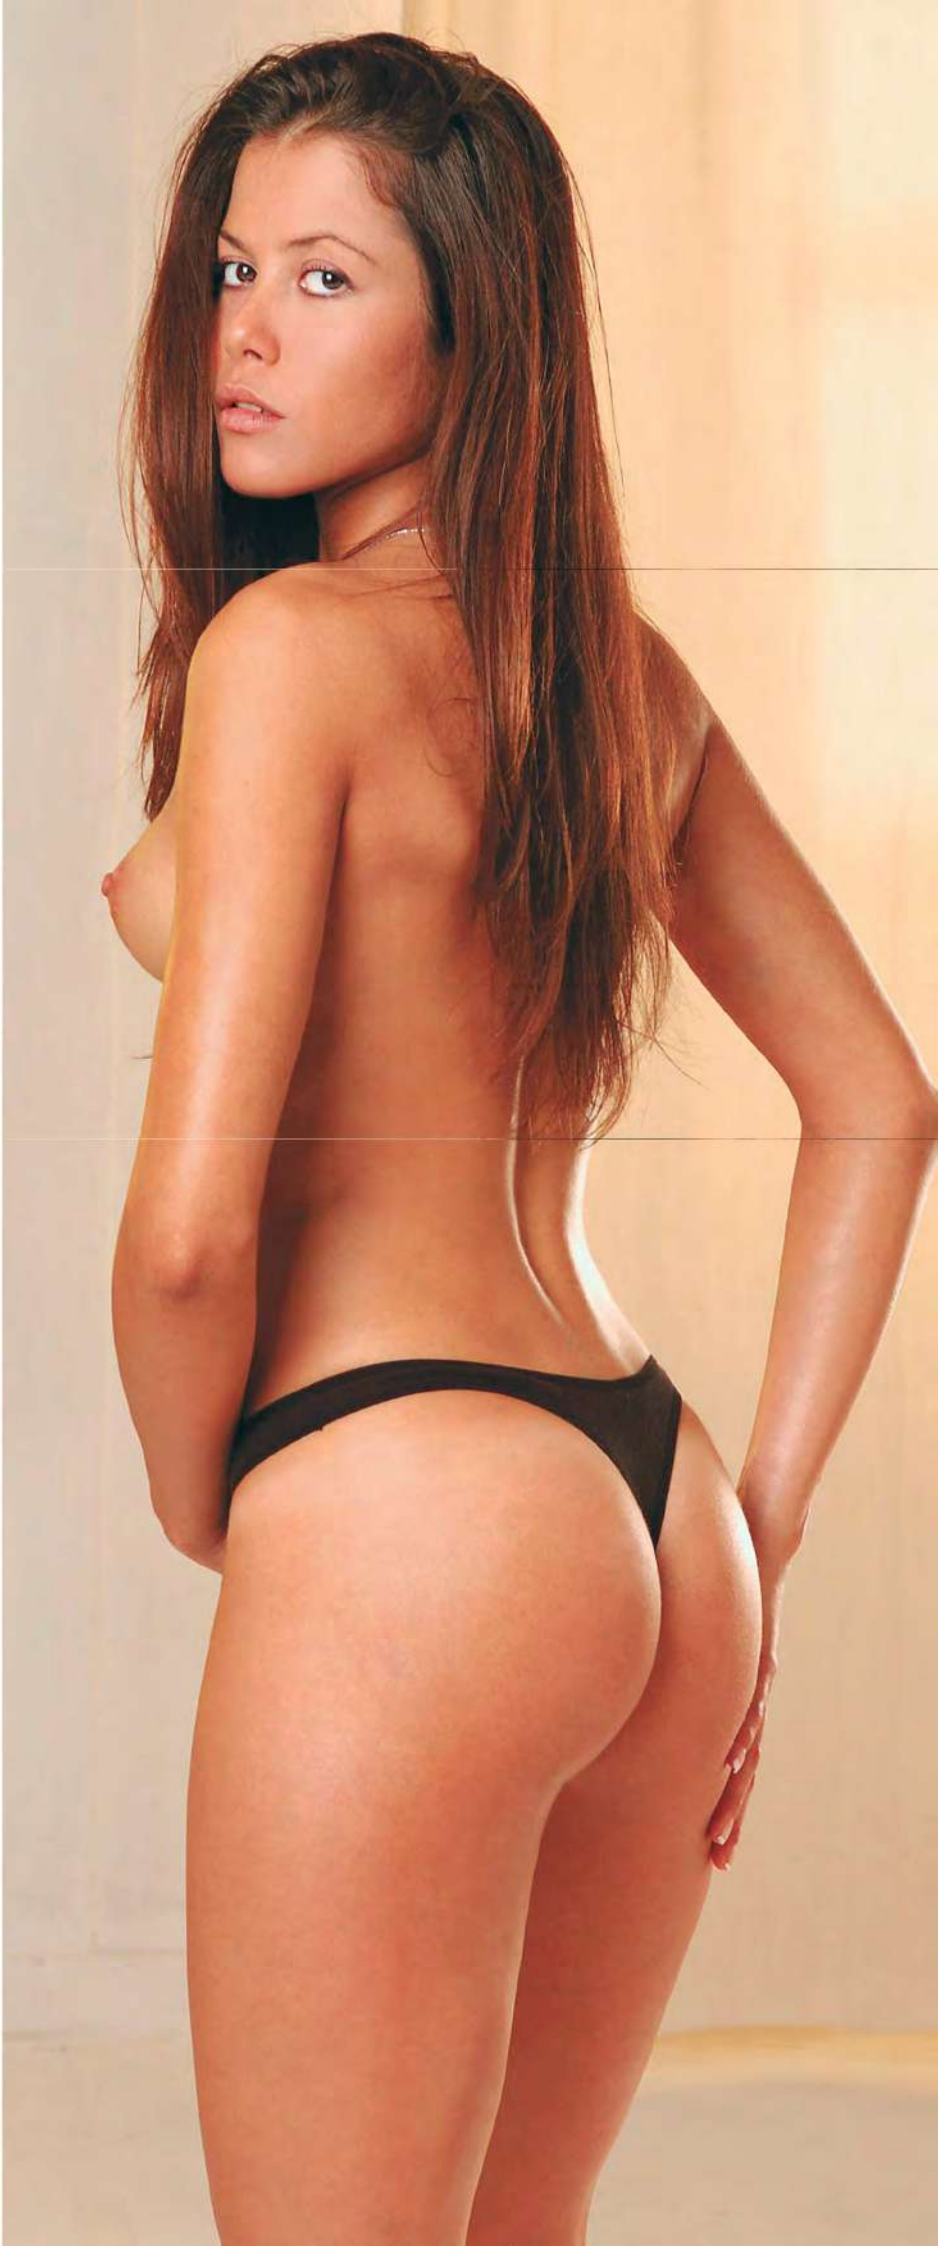
As you know, this magazine is crammed from cover to cover with some of the hottest totty the world has to offer and just when you think there couldn't possibly be any more stunning filth pots eager to show off their wares, another one appears out of nowhere. This month it's Maria's turn, and we're not ashamed to admit we let her jump the queue as soon as we clapped our eyes on her. She's got it all and from what we hear it's up for grabs…

"The real reason why I wanted to be in your magazine is because I'm currently single and felt it was time to put myself in the shop window, as it were. So if you don't mind I'd like to take a few words to describe myself."

We don't usually allow such blatant self-promotion but, because it's you and you're obviously desperate, just this time we'll let it pass. So go on, tell us a bit more about yourself and what you look for in a bloke.

"Thanks! Well, as you hopefully agree already I'm very pretty, I look after my body by going to the gym four times a week and I've got great fashion sense. When I'm wearing clothes that is! I'm well-educated, I can cook – Mexican being my speciality – and in my spare time I like horse riding, reading and as you were probably expecting – or hoping, more like – I'm pretty open-minded when it comes to sex. So if you're single and a pretty normal sort of guy, get in touch, and I'll tell you exactly how open-minded I can be!"

Oh dear, we can see another hernia on the way for our postie. ♣



The Club International Stereo of Filth & Love!

Brought to you by Club's No. 1 music madman DJ Radio Jamaica

The Charlatans
Simpatico (Sanctuary)

The Charlatans definitely aren't work shy. Nine albums in sixteen years displays a prolific output similar to that of Rocco Siffredi, the Italian Stallion who must surely by now have buggered at least half of the female population of Central Europe. Go and catch them live throughout April and May and you'll be shagging in no time. Nice work fellas.

Massive Attack
Collected (Virgin)

The stoner's favourite. Massive Attack have done more for the ganja industry than Chavs have done for Burberry share prices. Every pot head from Manchester to Marrakech has happily talked complete dog shit whilst listening to such classics as Angel, Teardrop, Protection, and the legendary Unfinished Sympathy and they are all here amongst fourteen others. The limited edition bonus disc is a car boot sale full of surprises that will cause any trip hop girl to drip drop between the legs. Cosmic.

Mogwai
Mr Beast (Play It Again Sam)

Bloody Nora! Mogwai's fifth album bangs harder than Ron Jeremy with a couple of Thai birds. OK, so it doesn't conform to the usual pop music formulae, and you'll never see them on *CD:UK*, but give it a few spins and you'll be able to pass for a right know-it-all down the local indie club amongst all those denim clad soap dodging students. Could be worse…

Graham Coxon
Love Travels At Illegal Speeds (Parlophone)

He's a bit of a dark horse that Coxon. You'd expect him to be a bit all soppy arsed and wishy washy but instead his music's actually pretty hard and direct, with a few horns and harmonicas tactically thrown in for that slightly gay effect that the girls always seem to go for. Even if you hated Blur because you were an Oasis man, this is definitely worth sacrificing a few megabytes on your iPod for.

Ludes
The Dark Art of Happiness

Ludes have been dodging smack heads and glue sniffers down in south London squat parties for some time now and they're quite a big name amongst the Pete Doherty worshipping crowd. Get down to your local Help The Aged, invest in some second hand clothes and a Jam album and you'll instantly look the part whilst simultaneously contributing to society and helping your Grandad's mates. Top stuff.

JIM'LL FIX IT!

Jim noir is a Manc and he's a fucking geezer. Read on…

Jim lad, have you ever been caught wanking?

I was round at Neil Gallaghers house once, just having a cuppa tea like you do. We were talking about finance and discussing the pros and cons of joining the Euro. As usual he starts getting a bit rowdy 'cos of all the tea, so I make an excuse and go to the toilet while he carries on talking to himself. Being a virile male I have to crack one off every 30 minutes 'cos I've got a bit of a temper when I've got loaded bags. So I go for one in his toilet, I'm there sloggin' away like, and I look around, there's twenty seven other people in there doing the same thing. There was eye contact, a lot of eyes contact. Obviously we were all embarrassed. I just had to leave after that, so I made some more excuses and went off to play tennis with Phillip Schofield.

Erm, right! Tell us, do you ever read Club International?

I don't think anyone has ever read it have they? Do you have the bit about cars in the middle so you can flick to that page when yer mum comes in the room? Can I have some free copies actually, I think I've got an old one of my brothers from about 1987. Phwooar, they don't make perfect porn perms like them anymore I tell thee. On the girls in the mag, not my brother.

I'm with ya. Please tell us about a time when you made a complete and utter 100% fuck up.

I was round at Ian Gallagher's house the other week and we were a bit bored so we decided to make a sponge cake to go with all the tea and that 'cos we like a bit of tea. Anyway, he's like "Naa you don't put that much cheese in, its a blummin sponge cake you sausage" and I'm like "Course, get it in there I've done it before you lemon." We stick it in the oven for a bit and play chess while it's going, and after about fifteen minutes the oven pings. "Wahey," I was thinking, "It's ready." He gets his mitts on and gets the tray out of the oven, and what's on the tray? A fucking 1970's analogue synthesizer. I just left, I couldn't stay after that.

Bloody Nora. Please describe an incident where you were a victim of crime.

I was round at Neil Gallagher's house the other week, and we were just watching the lovely swans he keeps in the back garden when all of a sudden I felt this swift wind like movement all around me. It was very strange so I decided to ignore it. Anyway, I'd gone home later and looked in the mirror and he'd stolen my whole identity. All gone in a flash. He stole my wife, my passport, and my good looks. I went round later and asked him what he thought he was doing and he said it was an accident. Gave it me all back and everything's back to normal again. I tell you, you have to watch him.

Sounds a right cunt. Where is the funniest place you've ever had sex?

I couldn't say really. When I have sex it's a very serious business. All the time I will have a very serious look on my face whilst trying to keep a good steady rhythm. I expect the same from the lady as well.

I see. Please can you tell us about your last colourful encounter with the Old Bill?

I was round at Steven Copeland's house the other week, and I was teaching him some new drum techniques 'cos he's always looking to improve you know. Anyway, he just cant get this chord I'm trying to teach him and he's getting really riled. You know, he's got a bit of a frown on him and he's crying uncontrollably. I said "Steven, it happens to the best of us, its what learning's all about" but he wouldn't have it and he had me removed from the gaff. He hasn't got guards or anything, he just pretended I wasn't there and just went through some old Police hits with himself. I just left, I couldn't stay after that.

Cheers pal. Say "Hi ya" to Ian and Neil for us! ♣

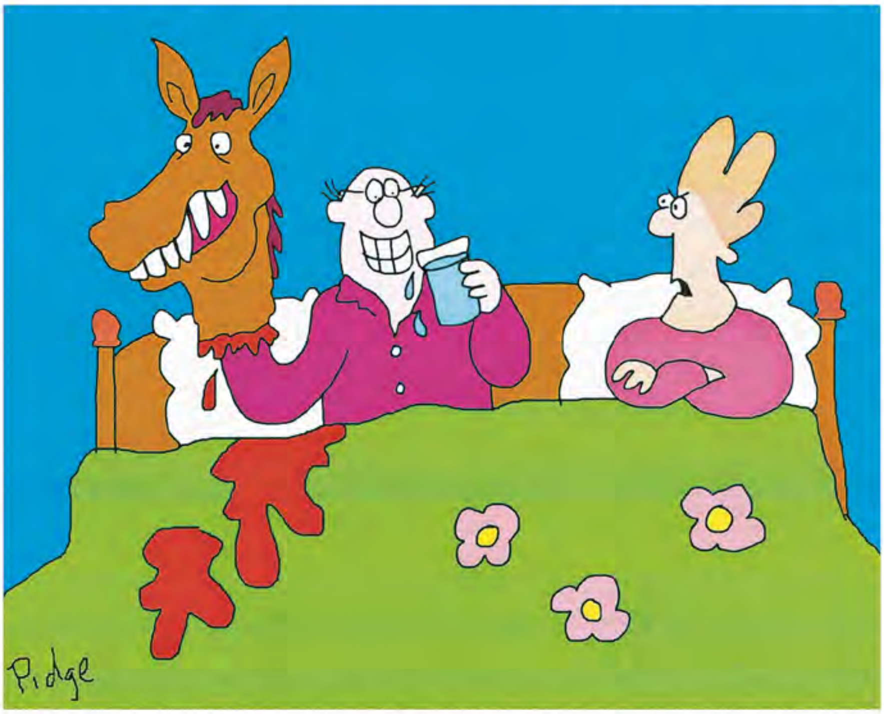
THE JOKE'S ON YOU!

Due to EU regulations we can't put porn on every page. So here's some crap jokes to fill the gap...



" I still don't think you're taking these threats seriously enough."

ONE OF THE FAMILY

A woman passes her daughter's closed bedroom door when she heard a strange buzzing noise coming from within. Opening the door, she saw her daughter giving herself one with a vibrator.

Shocked, she asked, "What in the world are you doing?"

The daughter replied, "Mum, I'm thirty-five years old, unmarried, and this thing is about as close as I'll ever get to a husband. Please, go away and leave me alone."

The next day, the girl's father heard the same buzz coming from the other side of the closed bedroom door. Upon entering the room, he observed his daughter making passionate love to her vibrator. To his query as to what she was doing, again the daughter said, "Dad, I'm thirty-five, unmarried, and this thing is about as close as I'll ever get to a husband. Please, go away and leave me alone."

A couple of days later the wife came home from a shopping trip, placed the groceries on the kitchen table and heard a buzzing noise coming from, of all places, the living room. She entered and saw her husband sitting on the sofa, drinking a beer, and staring at the TV. The vibrator was next to him on the sofa, buzzing like mad.

The wife asked, "What the hell are you doing?"

The husband replied, "I'm just watching footy with my son-in-law."

Shane, Poole

A BIT DIM

A woman urgently needed a few days off work, but she knew the boss would not allow her to take leave. She thought that maybe if she acted "crazy" then he would tell her to take a few days off.

So she hung upside down on the ceiling and made funny noises. Her blonde co-worker asked her what she was doing? She told her that she was pretending to be a light bulb so that the boss would think she was "crazy" and give her a few days off.

A few minutes later the boss came into the office and asked, "What on earth are you doing?"

So she told him she was a light bulb.

He said, "You are clearly stressed out. Go home and recuperate for a couple of days".

She jumped down and walked out of the office. When her co-worker followed her, the boss asked her, "And where do you think you're going?"

She said, "I'm going home too, I can't work in the dark!"

Gary, Liverpool

PRIZE JOKE!

TWIN PERFORMANCE

A bloke stops to visit his mate who has a broken leg. His friend says, "My feet are cold, mate. Can you go and get me my slippers from upstairs please?"

So the guy goes upstairs, and there are his mate's gorgeous twin 18-year-old daughters. "Hi girls. Your dad sent me up here to shag you."

The first daughter says, "That's not true."

He says, "I'll prove it."

He yells down the stairs, "Both of them?"

His mate yells back, "Of course, both of them."

Will, Berwick

EYE, EYE, CAPTAIN

A sailor and a pirate met in the bar and the sailor asked the pirate how he got his peg leg, hook and false eye.

The pirate replied, "the false leg was when I fell overboard and the mates pulled me up but not before a shark had me leg off. The hook I got when I was in a battle with another pirate and he cut me hand off."

"So what about your eye, did you get that in a battle?" Asked the sailor.

"No, I was looking up at the sky when a seagull shat in my eye."

"You lost your eye through seagull shit!" Exclaimed the sailor.

"Not exactly," replied the pirate. "It was the first day with my hook."

Toby, Plymouth

Q. Where do dogs go when they lose their tails?
A. The retail park.

IN WITH A SHOUT

A guy goes into a pub and sees a beautiful woman sitting alone at the bar. After an hour of gathering up his courage he finally goes over to her and asks tentatively, "Um, would you mind if I bought you a drink?"

She responds by yelling, at the top of her lungs, "No, I won't sleep with you tonight!"

Everyone in the pub is now staring at them. Naturally, the guy is completely embarrassed and he slinks back to his table totally red-faced.

After a few minutes, the woman walks over to him and apologises. She smiles at him and says, "I'm really sorry if I embarrassed you just then. You see, I'm a student in psychology and I'm studying how people respond to embarrassing situations."

The man responds, at the top of his lungs, "No I will not pay £200!"

WET DREAM

Wouldn't you love to dive in with Chanta?

PHOTOS: EXPOSUREZONE

Being the sort of girl that makes a splash whenever she appears in *Club*, it's no wonder dusky diva Chanta always seems at home near water. So you're just as likely to find her lounging in or beside a swimming pool as you are with her ankles behind her ears on a porn shoot. But guess where we were luckily enough to find her? That's right, doing both!

"I never go a day without a swim. In fact I probably swim more often than I have sex. Swimming uses every muscle in your body so I'm nice and supple and can get myself into quite a few difficult positions – handy for my job!

"I've also been naughty in a pool several times and it's very exciting. Usually it's been at night but on one occasion it was in broad daylight. There were a few other people at the other end but they didn't have a clue what was going on between me and my boyfriend. They thought we were just kissing, when really he was fingering me and I was wanking him off underneath the water."

Tut, tut! Didn't you take any notice of the 'No Petting' signs! ♣

LOOKING TO BLOW £200,000 ON A FAMILY MOTOR? ASTON MARTIN MIGHT JUST HAVE THE ANSWER...

If it weren't for Bernard Matthews, Tony Martin would probably be the world's best known Norfolk farmer. And it's what Martin stands for – defending your property and to hell with the consequences – that has made Britain what it is today; with the haves having even more while the have-nots can just get 'Arf my land!'. Consequently, the haves can aspire to drive their very own Martin, as created by Tony's great, great grandfather, Aston...

The winged badge has long stood for luxury, opulence, performance and the sort of social inequality as only the British could muster. Indeed, until it was bought out by Ford, Aston was content to sit on a rocking chair on the veranda, taking pot shots at the vultures with its rifle as it lurched from one financial crisis to another. But now Aston is in rude health; the bit of string holding up its trousers has been replaced by a fancy set of corporate braces and it's producing some of its finest cars ever.

The latest is the Rapide, and although it's not due until late next year at the very earliest, it will be well worth the wait. While Aston's existing range has focused on supercar performance, with the Vanquish, DB9 and V8 Vantage, the Rapide has half an eye on practicality, too. This gorgeous new machine is a four-door, and its four individual seats can each accommodate a full-grown adult in relative comfort. Here is a car designed for well-heeled families, not just landed loners like Tony!

Yet the amazing thing about the car is that it incorporates this four-door layout in a shape that's as beautiful as the DB9, upon which it's based. The Rapide is only 30cm longer than the coupe, and a mere 140kg heavier. But the two extra doors blend in seamlessly, and the unique 'swan wing' design sees them open at a 12-degree angle away from the kerb – which combines with the way they are cut deep into the flank below the C-pillar to make access to the rear easy.

In terms of quality, this car's not so much lucky heather as high-grade leather...

And once in, there's plenty of space for passengers in the back. The two individual rear seats are superbly supportive, and while there isn't as much space as in a Rolls-Royce Phantom, the head, leg and shoulder room on offer ensure this Aston will prove comfortable for four on those Sunday afternoon blasts down to the Cote d'Azure. And the transparent polycarbonate roof makes you think it's even more spacious than it actually is.

In terms of quality, this car's not so much lucky heather as high-grade leather. The beautiful hides used throughout combine with aluminium, carbon fibre and wood trim to give the cabin a wonderfully luxurious feel. Everything is superbly put together – as it bloody well should be on a car costing not much shy of £200,000. But the glorious traditional ambience is blended with plenty of hi-tech toys, including dual-zone climate control and satellite-navigation. The boot even has a chiller cabinet – perfectly shaped to take a magnum of Jacquesson champagne – while rear occupants get their own DVD screens in the back of the front headrests. Aston's ambassador is really spoiling passengers just as much as it has done drivers over the years.

But that's not to say its focus has been distracted from what goes on out on the open road. True, the Rapide's suspension settings have been reined in somewhat, to match its status as more grand tourer to the DB9's out-and-out supercar, and the gearing is more suited to cruising than pressing on. However, the DB9's V12 engine has been uprated to deliver 480bhp and the Rapide still provides an intoxicating rumble as it sprints from 0-60mph in less than five seconds and goes on to an estimated 180mph top speed. Its steering is as precise and responsive as you would expect from Aston, and there's plenty of fun to be had from the driver's seat, despite the various nods to practicality.

So with its blend of performance, elegance and versatility, the Rapide has an embarrassment of riches. This stunning all-rounder will shoot straight to the top of the class, and has set up trip wires everywhere to catch out any rivals daring to come close. So while it may not have a Jimmy Bond-style ejector seat just yet, if you ever find yourself behind the wheel, it might just take one to get you out again. ♣

LUCY GETS LOW

Quick! Somebody make this beauty an offer she can't refuse.

PHOTOS: PHOTORAMA

Being almost perfect herself, it's no wonder Lucy seeks perfection when it comes to the opposite sex. As you would expect she doesn't go short when it comes to men offering to take her out, to marry her or, more crudely, to slip one up her bum. But just how many of those incoming offers does she actually take up?

"I've lost count of the amount of men who have made me offers, but I've not lost count of those I've accepted, for the simple fact there's only been one man I didn't turn down. He had everything a girl like me could wish for – good looks, a great physique, a charismatic personality and lots of money!"

So what happened?

"I'm afraid to say that what he possessed in physical and financial attributes he lacked in sexual prowess. He only wanted to fuck me in one position – him on top – and when we did do it there was hardly any foreplay and it only lasted a few minutes, so needless to say, he didn't last long."

That's very interesting, Lucy. Now our next question is how low would you be prepared to drop your standards if you were promised a guy who's a bit more daring in the bedroom?

"Why, do you know someone like that?"

Erm, might do… ♣

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

Reckon your better half could be one of our best? Then get her to send a picture of herself, along with her name, address and a contact telephone number, to Readers' Girls, Club, 2 Archer Street. London W1D 7AW. If she fits the bill she'll get a top photo shoot and a **£200** cheque, too!

PERSONAL DETAILS

NAME: Dion
AGE: 23
VITAL STATISTICS: 32-24-32
WHAT'S SHE LIKE? She's certainly lives up to her filthy look!

WHY DID YOU WANT TO BE IN CLUB?
It's always been my dream to show off my body in a magazine, and the higher the shelf, the better!

WHAT'S THE FILTHIEST SEX YOU'VE EVER HAD?
I went to a big music festival a few years back and ended up in a tent with two lads. At first I just started getting it on with one, while the other watched, but then he joined in too. That was my first experience of a spit roast and I really enjoyed it. We missed a load of really good bands but it was worth it – it was the best sex I've ever had.

WHAT'S YOUR NAUGHTIEST FANTASY?
I really want to do it with my boyfriend's sister who I'm convinced is bisexual. She's absolutely gorgeous and she's always being flirtatious with me. To have sex with her behind my boyfriend's back would be so exciting. She's got a massive pair of tits and I'd love to bury my face between them.

HAVE YOU EVER DONE THE LESBO THING BEFORE?
A couple of times, but only with girls I really fancied. My first time was with a friend at college. I'd never had anyone go down on me before, and she literally blew my mind. The things that girl did with her tongue I've never experienced anything like it. What I'd really like to do though is have a photo shoot with another girl, then I can show all your readers just how dirty I can really be!

ANY MESSAGE FOR OUR READERS?
I'm always open to suggestions, so if one of you suggests something naughty, I might just be up for it! ♣

DVD

Pirates

(DigitalPlayground/Adam&Eve) ★★★★★

Johnny Depp's cinematic ventures into Buccaneer-dom clearly caught the eye of high-end porno director Joone, because she's pulled out all the stops with this one! First off, the cast is top notch, with blonde bombshells Jesse Jane, Carmen Luvana, Teagan and Devon all rubbing shoulders (not to mention quite a few other things) aboard the creaking galleon. On top of that, there's plenty of CGI trickery, with sea battles and a bone fide skeleton army to put the willies up you. There are plenty of jammy pirates on hand, too, to put their willies up the assorted talent, so while true lovers of swashbuckling movies might be a little disappointed by the comparative lack of swordplay, there's plenty of pork sword-play to compensate. OK, it's all a bit dark, but this 3 disc set (including a Hi-Definition version) still rocks.

DVD

Mata Hari

(Private) ★★★

If anyone's been waiting for Private's unique take on the ins and outs of First World War spying, I'm afraid their wait is still not over – the Mata Hari in question here is the (actually pretty delectable) Katy Caro, who's more into modern day industrial espionage. Well, if that's what you can call a daft plot about the search for a "Fountain of Eternal Youth" in the Caribbean, anyway. The sex is all just as you'd expect – all strokeworthy enough – but the real joy here is the dubbing (even when the actors actually are speaking English) and the storyline. There's a sequel on the way, too!

DVD

The Hacienda

(Harmony) ★★★★

Blimey – who'd want to jack off while watching a load of loved-up Mancs dancing about? All in all, it's probably just as well this is actually the shag-happy tale of occasional Club babe Simony Diamond's stay at a sex-crazed hotel somewhere in Spain. It's a truly international collaboration, with a combination of British, Euro and American flampers taking a good dose of cock from a happy quintet of swordsmen. There are some cracking group sex scenes here, especially from the petite Libellue, with loads of anal, DPs and all sorts of other filth. Lots of nice angles and plenty of horny extras make this a good addition to your collection.

DVD

The Exorcism of Emily Rose

(Sony) ★★★

Given the title, and the subject matter, comparisons with 1973's classic *The Exorcist* are pretty inevitable, but this film does it's best to avoid such obvious categorisation. Tom Wilkinson hardly cuts a Max Von Sidow-like figure as the beleaguered exorcising priest, and besides which, his unfortunate possessee (a top notch performance from Jennifer Carpenter) karks it when the stresses of the exorcism prove too much. This is, apparently, based on a true story, although we very much doubt that things were quite this scary in real-life.

DVD

CSI: NY 1.2

(Momentum) ★★★

Those who can bear to watch – let alone receive – Channel Five will be well aware of the whole CSI franchise. After all, it's probably the classiest thing in their schedules. New York was an obvious choice for a spin-off after Las Vegas, and it makes a good fist of things, too. In true Jerry Bruckheimer style, everyone's got an implausible name (although we were rather taken with Det. Stella Bonasera), but that's small fry compared to the outlandish methods of murder employed by the cream of the Big Apple's crooks. If you can handle a full eleven episodes of seductively dark yet glossy death, then look no further!

PERVY PILL

Golden Root Complex

(Goldenrootcomplex.co.uk)

Club readers shouldn't really be worrying about erectile dysfunction (unless that includes getting stiffies nearly all the time!), but then again, who knows? – perhaps a little helping hand from time to time might not go amiss. Well, unlike the original "blue pill", this stuff only contains natural extracts, meaning it's freely available to purchase over the counter (of Superdrug, for example). But does it work? Well, as soon as we can find someone who works round here who doesn't already have a lob on, we'll give it a try…

Thumbsucker

(Sony) ★★★★

The big name cast rather sets this flick from the majority of US indie quirk-fests, what with Keanu Reeves, Tilda Swinton and Vince Vaughan all putting in appearances. It stars Lou Taylor Pucci as the eponymous hero, who – after getting a fair old bit of stick – finally figures it's about time he knocked his childhood habit on the head. Not much of a plot there, then, but things take a turn for the strange as he tries to get used to life post-thumb, and it turns into a pretty engaging and diverting movie. All in all, a (slightly dribbly) thumbs up!

DVD

Guy X

(Metro-Tartan) ★★★

Ever since Bilko, the military base has proven to be a particularly fruitful comic setting, and this nicely-made flick falls squarely into the *Catch 22*/*M*A*S*H*/*Buffalo Soldiers* category, with its tale of sinister deranged goings-on at a secret (US) base in Greenland. It stars *American Pie*'s Jason Biggs as a private who gets waylaid on his way to Hawaii and ends up amongst the misfits and deadbeats in the Arctic circle. As it happens, this film turns out to be a little too sombre and serious to be described as an out-and-out comedy, but it's still pretty smart.

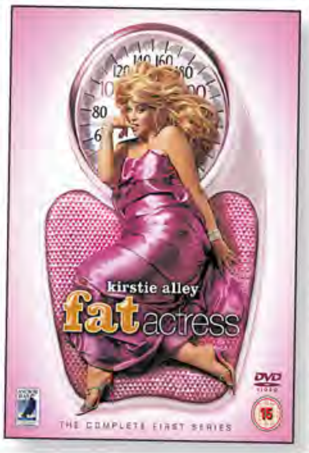
Fat Actress

(Anchor Bay) ★★

Kirsty Alley first made a name for herself in *Cheers*, but since then it hasn't all been plain sailing. More often than not she's made it into the papers thanks to her expanding waistline rather than any work she's done, and this series plays on that fact quite smartly. Rather like Larry David in his magnificent *Curb Your Enthusiasm*, Alley plays a hyper-real version of herself enduring the trials and tribulations of a luckless Hollywood biffer. There are plenty of cameos from Kirsty's famous mates, but it's not a patch on *Curb* (what is?), and might actually get you down a bit…



DVD BOXSET

Green Wing

(4DVD) ★★★★

It seems that reports of the death of the British sitcom have been somewhat exaggerated, with quite a few offerings of late coming up to scratch. Take this, for example – Channel 4's ambitious series from 2005 features talent from pretty well every half-decent comedy of recent years (from *Black Books*' Tasmin Greig to *Brass Eye* and *Spaced*'s Mark Heap), and went down pretty well when it was aired. It's all pretty tricksy and innovative (so fans of *The Vicar of Dibbley* need not apply), and, in a nod to the way Americans seem to do these things so much better, there are a full 9 episodes and a good few extras packed onto the 3 discs included.

A GORGEOUS GIFT

My boyfriend Joe was always nagging me about wanting a threesome with another girl so I set him the task of setting it up. Unfortunately, though we had many horny conversations about it, he was crap at making it happen. So with his birthday fast approaching and being short of ideas for presents I decided to take matters into my own hands and give him his wish, well at least a taste of it.

I got onto the net and started looking at some adult contact sites, looking for a girl who might be up for some fun and made contact with a girl calling herself Cindy who lived about an hour away. We exchanged a few emails to get to know a bit about each other and she sounded fun. I was pretty turned-on each time we exchanged e-mails but actually arranging to visit seemed another step altogether.

Once we actually got on to the details of when and where we might meet I came clean and told her I was thinking of arranging something as a birthday treat for Joe and would she be up for it. She emailed back that she was really turned-on by the thought of keeping me all to herself, especially when I confided that this would be my first time with a woman. She then suggested that I travel to see her and we video the whole thing and I give Joe the film as his present, pointing out how much fun I could have reliving it on his birthday. She went on to tell me all the dirty things she intended to do to me and what a horny film it would make and how she couldn't wait to see me coming like a porn star on screen. The whole thing seemed bloody scary but too good an opportunity to pass up, so the following weekend I made up some story to Joe about going on a girly shopping trip when really I was going to visit Cindy.

When Joe's actual birthday morning arrived I handed him two early presents in the bedroom. First some horny underwear for myself, which I slipped in to as soon as he had opened them before lying back on the bed and handing him a wrapped DVD. Joe had some idea of what the content might be as he slipped it into the player, but had no idea about the identity of the sexy stars. The first clue he got was a close up of a sexy girl's breasts and pussy wearing exactly the same skimpy knickers I was laying next to him in. The camera then panned out to show me, laying there running my hands over my body, my breasts and slipping them inside my knickers and opening my legs for the camera.

He was just beginning to respond when he commented that he didn't recognise the room I was in. At this point he thought I had just taped myself doing a little strip and wanking show for him. Before I could say anything he was completely caught out by the appearance of an extremely horny stranger with long dark hair, huge tits and wearing only a skimpy thong. He was amazed and stopped speaking as the reality of what was happening became clear.

He then rolled over and started to stroke me while staring at the screen. I was very turned on by now, enjoying reliving one of the best fucks of my life while feeling Joe slip his fingers into my juicy pussy and watch him pull back the duvet to reveal a massive hard on. I repositioned myself so that I could get Joe's cock in my mouth while still being able to see the screen. Joe got very horny, telling me what a filthy little cow I was for keeping this girl all to myself then shut up as he watched her slowly take of my bra and start to massage my tits. Cindy then bent down and started to gently kiss them one at a time while pinching the nipple of the other.

From the noises on the screen this was clearly turning me on as she then slowly ran her hand down my belly and eased off my panties to reveal a very neatly trimmed little bush, much more radical than my normal style. Joe then remembered my recent change of style but it was only now that I stopped sucking him off for a moment to describe the feeling of lying completely open while another girl shaved my cunt for him. As I resumed sucking him, Cindy moved down the bed to start licking between my legs, inside my thighs at first then moving up to my cunt and after licking my slit a few times and spreading the growing moisture she latched on to my clit and starting circling and nibbling it.

The sight of watching her lick me out was clearly getting to him but not as much as what he saw next. Even knowing I had fantasised about fucking another woman he was still surprised by my boldness as I rolled Cindy on to her back and climbed in to a 69 position. The sight of me taking my first taste of another girl's cunt was too much for Joe and he shot a massive jet of come into my mouth and over my tits as I stood up.

> ***"The sight of me taking my first taste of another girl's cunt was too much for Joe"***

After this he just lay back and enjoyed the show as I took off my undies and pushed a couple of fingers into my soaking fanny. Joe watched as after a few more minutes' mutual cunt licking, Cindy took the next move and picked up a massive dildo from a draw and forced it inside me. I was now unable to concentrate on her and at her orders lay back to take the fucking of my life. She fucked me with increasing intensity until I was begging her to do it harder and faster and just make me come. It was also clear that the sighs and sounds from the telly were turning Joe on once again, especially when he saw Cindy remove the dildo before jamming three fingers into my cunt. She immediately removed them and used my own juices to soften up my arse before forcing the dildo back into my cunt. She did this at the same time as slowly pushing a finger into my bum, and I came with one of the biggest rushes of my life. Despite the intensity of this orgasm Cindy was clearly not finished with me yet and produced a massive strap on. Telling me to get onto my knees, she then proceeded to fuck me doggy style as I looked directly into the camera showing everything sensation I was experiencing on my sexually sated and ecstatic porn star face.

By this time Joe was hard again and proceeded to mimic the film as he rolled me over and started to fuck me hard from behind as we both stared at the disgustingly horny image on the screen in front of us. As the 'me' on the screen thundered to another intense round of coming, so did Joe and he unloaded another bolt of come into me. We continued to watch the last few minutes of the disc, only to see that Cindy had edited out all the following bits of me making her come and replaced them with a scene of her lying naked and open and fucking herself with the dildo while wishing Joe a happy birthday and telling him that he wasn't to miss all the fun and he would have to wait to see how I had learnt very quickly how to pleasure a girl for real when we both came to stay soon. I then whispered to him that I had already fixed a date before kissing him and wishing him a happy birthday. – *Tina, Norwich*

"I came with one of the biggest rushes of my life"

THROUGH THE LOOKING GLASS

My boyfriend Austin has a colossal sexual appetite that I thoroughly feed. One Friday evening we arranged to meet at his flat, which was always after a drink session with my workmates, where we'd always end the evening by getting completely hammered. Austin didn't approve of my boozing and after a heated argument on the subject, he blew up in anger and slammed the phone down. Shocked by his behaviour I vowed to punish him for his appalling actions.

Lisa, one of the girls I worked with, was a beautiful bombshell lesbian. Unbeknownst to me, she had been watching me all evening. She was tall, with slender long tanned legs, perky breasts with long black hair and gorgeous hazel eyes. In short, she was a head turner. I was over at the bar ordering drinks when she came over and stroked my arse and flashed a smile.

"Can I give you a hand?" She asked.

"Thanks," I replied, a little startled but relieved that I had an extra pair of hands to transport the drinks. Then she came closer and whispered, "So when are you going to let me eat that juicy pussy of yours?"

I froze in front of her, completely dumbstruck. She came closer and licked my ear lobe saying, "Would you like to feel my long hot tongue fucking your clit?"

I nodded as I felt my panties getting moist. I wanted her as much as she wanted me. Although I was a little disorientated, I was flattered that she was interested in indulging in sexual activities with me.

Austin had given me a set of keys to his flat, so I let myself in. As Lisa and I entered the hallway into his flat, I noticed that his coat was hung on the rail. He was definitely at home, fast asleep probably. But I was still pissed off with him for acting like a complete prick.

I ushered Lisa into the living room, while I went in search of some wine. When I returned to the living room, I put some music on and began to dance. Lisa stood up to join me. She turned up the volume and then she grabbed my bum, pulling me towards her. Our lips touched gently. She slowly slipped her tongue into my mouth as her hands began to fondle under my short skirt. I parted my legs as her fingers ran up my thigh and finally reached my dripping, wet pussy. She pulled my soaked panties to the side and rubbed my swollen clit. I moaned as my love juice rolled down to my knees. She removed her fingers exposing my cream all over them. Then she licked her fingers.

"Mmm, I knew you'd taste sweet," she said as she went back to get some more. This time she went deeper inside as I gave a loud moan and once again exposed more of my juice.

"Taste it," she said inserting her index finger into my mouth. I loved it. She carried on feeding me with my juice as I began to finger her slit. I wanted to see her naked body and slowly stripped her piece by piece.

Suddenly a tap on the glass door of the living room disturbed us. It was Austin trying to open the door, which I'd locked earlier. He had been watching us for a while and was stroking his huge bulge.

I ignored him and nibbled Lisa's swollen pink nipples motioning my tongue round and round them. As Austin continued to tap the door, Lisa knelt down and parted my thighs as I placed one leg onto the coffee table as she buried her face. She cupped one hand on my breast as I moved my arse rhythmically, riding her face. My moans started to get louder and louder and I could hear Austin pleading through the glass door, "Please baby, let me in. I'm sorry for being mad at you."

> ***"She carried on feeding me with my juice as I began to finger her slit"***

I ignored him as I groaned louder begging Lisa not to stop tongue-fucking me.

"I'm sorry baby," he continued, "Please. Look at me… I'm fucking hard! Let me in!"

Lisa didn't stop lapping my juice. I was having too much fun to stop and open the door.

"You love the way I eat your pussy?" She whispered.

"Yes!" I screamed, "Please don't stop…I love the way you fuck with your tongue!"

She started to finger fuck me while she was still tongue-fucking me. I moved my arse frantically until I couldn't take anymore. With a huge cry, my cream spurted all over her face.

Lisa smiled at me, with her mouth covered with my juice. She stood up and I kissed her passionately.

"That was wild!" I said in amazement. "No one has ever eaten my pussy like that!"

We kissed again. Meanwhile, Austin was still calling for our attention as he watched in pain. His dick was throbbing now and he was going crazy. I went over to the door. I wanted to suck it but I was still angry with him. Lisa came over and began to finger my cunt again.

"Is this what you want?" She asked him seductively, through the glass, licking my pussy-milk from her fingers. He nodded anxiously, pleading us to unlock the door. Then she pressed my body onto the glass door and we kissed each other again. She clutched my arse firmly as poor Austin watched someone else grope the pear-shaped bum that he loved.

Then I started to make my way towards Lisa's gorgeous pussy. I parted her fat juicy lips, exposing her tasty vulva. Before I knew it, I was licking her in circular motions, slowly but firmly, darting my tongue in and out of her pussy hole. She responded to my tongue by grinding her pussy on my face, moaning passionately.

I was oblivious to Austin's grunts but after ten minutes, I finally unlocked the door. He raced inside as I went back to eating Lisa's delicious pussy. I motioned her to lie down on the rug. She spread her legs as wide as possible. I started fingering her slowly, one finger at a time. Soon I was pumping her pussy with four fingers.

I was on all fours with my arse sticking out revealing my plump pussy lips squirting more juice. It was inviting Austin's meaty dick to grind it. Without hesitation, he rammed his solid rock inside me so hard that I shrieked and raised my head. He grabbed my hips and began to pump his organ in and out of my wet sweetness. I loved the way this man fucked me. He firmly pushed my head back into Lisa's pussy.

"Yeah… Eat that pussy, good, baby," he commanded, spanking my arse, "I want to see you make her come."

I obeyed him and captured Lisa's wet clit in my mouth, teasing it once more. Then she raised

her hips and began to move in rhythm with my tongue. I slipped three fingers inside her love hole whilst I sucked her firmly. She pushed my head even deeper into her mound with both of her hands.

"I'm coming!" She moaned.

Austin was having the time of his life. Lisa loved every moment of it too, grinding her pussy in my face and screaming with joy. She covered my face with all her juice.

Austin pulled his dripping prick out of me, swung me around and shoved it into my mouth. I always enjoyed bringing a man to orgasm with my mouth and Austin knew that I wouldn't stop sucking him until this happened. As the muscles of his dick stiffened, I tightened my lips and sucked him harder. I moaned softly as I worked my way, down to his balls and firmly captured them in my mouth, one at a time and licked them gently. Then I slowly tongued my way up to the top of his shaft and devoured it, reaching the back of my throat. Austin grabbed my hair tight and thrust his swollen rock deeper and deeper into my mouth. Meanwhile, Lisa proceeded to licking me once again. She couldn't get enough of it. Austin began to grunt and groan with pleasure as I teased him with my tongue and sucked him harder at the same time. His mouth was wide open and his eyes began to close slightly. His thighs began to tighten, as he was getting ready to come in my mouth.

"Oh yes!" He cried out loud. He'd exploded in my mouth. His cum dripped from the side of my mouth, landing on my breasts. I continued to suck him, extracting every ounce of his tasty cream. Then I swallowed. I loved the way he tasted. Panting from euphoria, he winked and smiled at me. He kissed me hard on the lips whilst Lisa licked my arse cheeks and slowly licked her way up to my back, my shoulders, and my neck and finally she pulled my face away from Austin and kissed me too.

We were all wiped out but felt extremely good.

"Babe," I said, "this is Lisa. Lisa this is Austin."

They exchanged pleasantries and we headed to the bedroom where we crashed out. – *Erica, London* ♣

Where you can still leave your backdoor open

WETTER'S BETTER

I knew as soon as I set eyes on Malcolm that he was going to end up fucking me. My husband is away on business a lot, and quite frankly I'd reached a point where I was desperate for anything, let alone a randy hunk like Malcolm. We had hired him to do some plumbing work on the house, and he arrived alone one morning, looking as sexy as hell in his grubby blue boiler suit, and it was all I could do to stop myself shagging him right there and then.

There was an immediate chemistry between us, and he couldn't take his eyes off my ample tits, which hung freely inside my dressing gown. It was only 8 o'clock in the morning and I still hadn't had my shower, so once I'd set him to work I went upstairs, got undressed, and began to masturbate under the piping hot water.

Being alone a lot I'm used to frigging, and I can bring myself to a really quite powerful orgasm using just my fingers. I use dildos too, and sometimes when I'm really horny, I've got an anal toy that I shove right up my bottom while I work my clitoris with my fingers – that one really gets me gushing.

I thought about Malcolm's hard cock pumping in and out of my cunny as I frigged myself, and it wasn't long before I felt my orgasm brewing. It was one of the best frigs I'd had in ages, and as I felt myself getting closer and closer to coming, I looked around me for something with which to stimulate my arsehole.

Finding nothing, I improvised, reaching behind me with my left hand, fumbling between my buttocks, and finally inserting a soapy finger into my anus.

I moaned as I started to come and squeezed another finger up my bottom. It was a sweet moment, but suddenly, through the steam and condensation, I saw Malcolm standing in the doorway watching, grinning from ear to ear. I was horrified, and for a brief moment I thought about giving him a bollocking and telling him to get the hell out of the room; but then I realised here was a chance for a damn good fuck and it'd been a bloody long time since I'd had one.

Malcolm marched fearlessly over to the shower, flung open the door, and stood and watched as I finished myself off, my fingers busy with my cunt and arsehole.

"Mind if I join you?" he asked, already talking off his shirt.

"By all means," I purred, and moved over to make room for him. He had a fantastic body, and when he dropped his pants I was delighted to see that he was already hard, his thick, veiny cock twitching in anticipation.

As soon as he was naked, he stepped into the cubicle and shut the door behind him. He immediately grabbed my tits from behind, squeezing them hard, and as I felt his cock press against my bum I knew I was in for one serious pummelling.

Taking my fingers out of my anus, I grabbed Malcolm's prick.

"You're a dirty fucking bitch, fingering your arsehole like that," said Malcolm, his voice strained as I squeezed his balls.

clubXtra More anal adventures at:
www.sexclub.co.uk/clubx

"I'm as dirty as they come," I murmured, suddenly tensing as I felt Malcolm's rough fingers exploring between my bum cheeks and finding the delicate little rosebud of my arsehole.

Although I'm always playing with my bottom when I masturbate, I've never taken cock that way before. Malcolm was going to bugger me without ceremony that was for sure, and I felt a surge of anticipation as he began to probe my bum hole. I bit my lip and pleaded with him to be gentle, which was a strange thing to do since I really wanted it rough.

With his free hand, Malcolm pinched my nipples, which were swollen, hard and erect. He was finger-fucking my arsehole really quite hard now, probing deep inside me, getting me ready for his cock.

"I've got an anal toy that I shove right up my bottom while I work my clitoris with my fingers"

"Oh that's it, give it to me you dirty bastard," I gasped as I felt him remove his finger and ready his prick. I leaned forward and arched my back, giving him easy access to my tightest hole.

Soon I felt Malcolm's helmet nudging my slippery sphincter, and then, with a grunt, he lunged forward, driving his penis deep into my bottom.

Malcolm pulled my bum cheeks wide apart as he fucked me up the arse. He was a noisy bastard, grunting, groaning and swearing as he pumped his huge cock in and out of me, and I savoured the sensation of my arsehole stretching around his thickness. This was the hardest, dirtiest fuck I'd ever had in my life – definitely not the sort of thing my husband was into! – and I felt like my whole body was going to explode in one gigantic orgasm.

"Oh God, I'm coming!" I shrieked, and shoved two fingers up my twat to get me off.

Malcolm's staying power was superhuman. He just picked up his pace and hammered my arsehole like a man possessed while came yet again. But as my muscles went into spasm, my anus contracted around Malcolm's wiener, and I felt his cock start to twitch inside me. At last he was about to come.

"Up my bottom," I gasped. "I want your come up my bottom!"

He was happy to oblige, and moments later jet after jet of Malcolm's hot white wee spurted inside of me. I thought there was going to be no end to it, and soon come was seeping out of my gaping hole as Malcolm pulled his spent meat out of me.

After that, Malcolm dried himself off and got back to work as though nothing had happened. I know I told him I needed my boiler serviced, but I got far more than I'd bargained for! – *Janine, Wiltshire*

ASKING FOR AN ARSIN'

I was lying in bed one Saturday morning recently with my girlfriend of two months when she cheerfully informed me, "No sex today, women's reasons."

"No, Problem," I joked, "I'll just give you one up the bum." With that she just looked at me sideways and got up to have a shower, leaving me in the bed to relieve myself by hand.

A couple of weeks later we were lying in bed, again on Saturday morning, and talking about our sexual fantasises when she shyly informed me she'd like to try anal sex. My comment from a couple of weeks before had obviously got her thinking. I cast a glance upwards, realising there is a God, then looked at her to ask if she was serious. She was.

I'd managed to convince a couple of previous girlfriends to have anal sex but this was the first to suggest it to me, what a result. My girlfriend is a blonde 25-year-old, five foot six and a trained dancer so she has a curvy muscular body with a really firm arse.

Because she was an anal virgin I thought I'd take it very slowly and ease her into it, or rather me into her. She rolled over on to her stomach and I began by going down on her pussy getting her really turned on. When she was good and wet I started licking her bum hole, which was quite tight at first but slowly gave way a bit and I was able to replace my tongue with the tip of my finger. Her arse was very tight and it was only with a good licking and a lot of lube I was eventually able to get even a finger in, I thought it would be a miracle if she was able to get my cock in there.

I started kissing her all over her firm bum and back while slowly easing my whole finger in and out of her tight arse. This relaxed her and I was eventually able to get a second finger inside her. I asked her how she felt and she said it was strange, uncomfortable and incredibly exciting all at once, and she wanted me to go on.

I eased my fingers out at this stage and applied more lube to my now very hard cock and all around her arse. I pushed the head of my swollen cock against her bum hole but not even the head would go in, so with more lube I tried again and this time the head and about two inches disappeared up her unbelievably tight arse.

She let out a loud gasp as it slid in and so we lay with me on top for a few moments with her getting used to the sensations. She asked how much was in and when I said about three inches she said she thought that might be all she could take. I asked if she wanted me to pull out, she said, "No, let's wait and see if I get used to the feel of it."

> **"The sensation of the vibrator in her pussy right next to my cock up her tight arse was amazing"**

At this stage, perched above her with almost half my cock inside her and one hand underneath her massaging her pussy and clitoris she did something utterly amazing. She quickly thrust her arse up in the air to meet my cock and took the whole seven inches of it in one swift movement. She followed this by letting out a deep moan and then said, "Fuck me, that feels good."

I almost came there and then. My cock was as big and as hard as it could get. I slowly started to pump in and out of her and at the same time pushed a couple of fingers into her pussy when she amazed me again by saying "get my vibrator and stick it in my pussy."

I did as she asked but couldn't get it in because with my cock buried in her arse there just wasn't room. At this point she grabbed the vibrator and pushed it in herself, turned it on and let out another low moan and said, "I feel so fucking full."

I had no idea how she got it up there but I certainly wasn't complaining. The sensation of the vibrator in her pussy right next to my cock up her tight arse was amazing. I started pumping my whole length in and out of her hard and fast as she, with her hands between her legs, fucked herself with the vibrator. It didn't take long before I could feel my cum rising and then she said, "I'm coming, I want to feel your hot cum up my arse,"

It was her desperate request that finally pushed me over the edge and I unleashed the contents of my balls deep inside her arse as she fucked herself with the vibrator. We both had the best orgasms we'd ever had.

As we lay there in the afterglow, getting our breath back, my girlfriend said, "We are definitely doing that again."

Sooner rather than later, I hoped! – *Roger, London* ♣

Attention! We're warning all of our readers to approach Lucie with caution. While she may look an adorable bundle of boobs and bum, she harbours a nasty side. The sort of nasty side that doesn't take no for an answer. Something our photographer knows only too well. He was lucky to escape with only a few minor bruises and a sore todger after she snared him in an uncompromising position.

"I don't know what all the fuss is about," Lucie protested when we took the safer option of telephoning her, "I'm a girl with a big sexual appetite and I don't like going hungry. I'm like a predatory animal – the faintest whiff of cock and I'm drooling for it. So leave me alone in a room with a man and what do you expect?

"I admit I do tend to get a bit carried away and often misread a man's abstinence as bashfulness but more often than not, once you coax a shy guy out of his clothes and into your bed there's not much he won't refuse. What sort of straight man doesn't like having his dick sucked by a raving nympho until he shoots his load in her mouth?"

Yeah, come on, own up! ♣

Stella...

where to stick it!

PHOTOS: 21ST SEXTURY

2-4-6-8, who wants to masturbate? Sorry, I couldn't resist saying that. It's a bit childish, I know, but I am reliving my youth in this cheerleader's outfit. I was never actually a cheerleader but I always wanted to be one, it must have been all the American teen movies I watched when I was growing up. Of course, when I was old enough to watch hardcore porn films, then I dreamt of being something completely different. And actually did it!

I don't really know what the appeal of being a cheerleader was all about. I guess the outfit with the really short skirt was a complete turn-on for me, as you know I love showing off my legs and what I wear underneath.

Then there's the fact that cheerleaders are really energetic with all that high-kicking and cart wheeling. Being that flexible can come in very handy and all the guys love a girl who can do the splits, don't they?

"All those fit men taking turns to fill my wanton holes and make me come"

I guess the real reason why I always dreamed about being a cheerleader though was because I thought of getting behind my team and then them getting behind me.

Can you imagine a whole team of hunky guys coming off the pitch after a game and finding me waiting for them in the showers? I'd be in my element. All those fit men lining up and taking turns to fill my wanton holes and make me come. I think I'd be the one who'd be the most exhausted after a game. It's just a shame most teams have more than one cheerleader as I might have some competition. Then again, a whole football team and a group of horny cheerleaders in the shower could be quite interesting! ♣

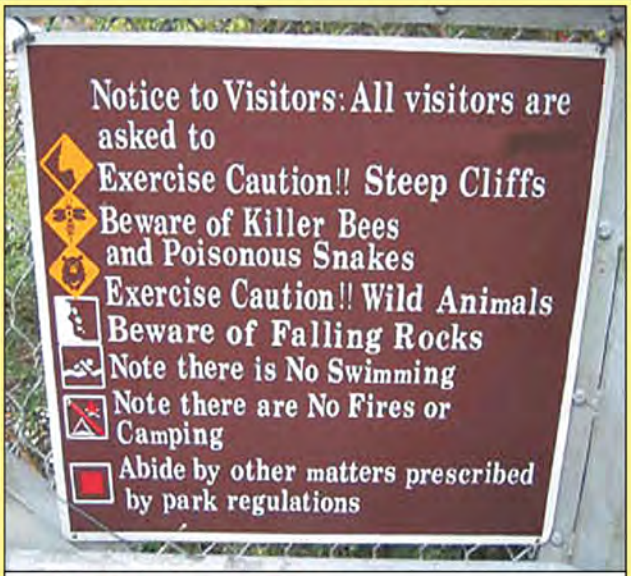
Fidel spent his holidays on a bargain cruise across the Bay Of Pigs.



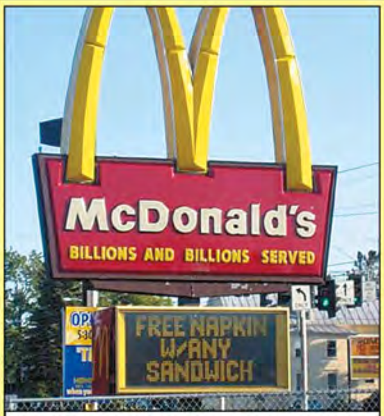
Notice to Visitors: All visitors are asked to
Exercise Caution!! Steep Cliffs
Beware of Killer Bees and Poisonous Snakes
Exercise Caution!! Wild Animals
Beware of Falling Rocks
Note there is No Swimming
Note there are No Fires or Camping
Abide by other matters prescribed by park regulations

UNSAFETY IN NUMBERS
So basically we should exercise caution, right?

SURF BOAR-DING...
... across the Bay Of Pigs, again?

RIDING HIGH
Some cyclists like it wheely big.

TONGUE-FU FIGHTING
And you thought going to your dentist was painful.



SUPER SERVIETTE ME
This offer was sure to wipe out the competition.

GRABBING LUNCH
Warning: May contain nuts.
